

I took an arrow to the heart 내가 심장에 화살을 맞았다  
I never kissed a mouth that tastes like yours  
Strawberries and then somethin' more  
Oh yeah I want it all  
Lipstick on my guitar  
Fill up the engine we can drive real far  
기름을 가득 넣어 멀리까지 드라이브 하자  
Go dancing underneath the stars  
Oh yeah I want it all  
You got me feelin' like

I wanna be that guy I wanna kiss your eyes  
I wanna drink that smile I wanna feel like I  
Like my souls on fire  
I wanna stay up all day and all night  
밤새고싶다  
Yeah you got me singin' like

Ooh I love it when you do it like that  
And when you're close up give me the shivers  
너가 다가오면 너무 떨린다  
Oh baby you wanna dance 'til the sunlight cracks  
해가 뜰때까지 춤 추고 싶을거야      햇빛이 금이가다(해가 뜨다)  
And when they say the party's over then  
We'll bring it right back and we'll say  
Ooh I love it when you do it like that  
And when you're close up give me the shivers  
Oh baby you wanna dance 'til the sunlight cracks  
And when they say the party's over then  
We'll bring it right back into the car

lit = light  
On the backseat in the moonlit dark  
달빛이 비추는 어둠 속 차 뒷자리에서  
Wrap me up between your legs and arms  
Oh I can't get enough  
어떻게 해도 부족하다      테일(뺨다)  
You know you could tear me apart  
너는 나를 무너뜨릴 수 있다  
Put me back together and take my heart  
I never thought that I could love this hard  
이렇게 열심히 사랑할 수 있을지 몰랐다  
Oh I can't get enough  
You got me feelin' like

I wanna be that guy I wanna kiss your eyes  
I wanna drink that smile I wanna feel like I  
Like my souls on fire  
I wanna stay up all day and all night  
Yeah you got me singin' like

Ooh I love it when you do it like that  
And when you're close up give me the shivers  
Oh baby you wanna dance 'til the sunlight cracks  
And when they say the party's over then  
We'll bring it right back and we'll say  
Ooh I love it when you do it like that  
And when you're close up give me the shivers  
Oh baby you wanna dance 'til the sunlight cracks  
And when they say the party's over then  
We'll bring it right back

Baby you burn so hot  
You make me shiver with the fire you got  
너가 뜨거워서 내가 떨린다  
This thing we started I don't want it to stop  
You know you make me shiver  
Baby you burn so hot  
You make me shiver with the fire you got  
This thing we started I don't want it to stop  
You know you make me shiver  
Yeah you got me singin' like

Ooh I love it when you do it like that  
And when you're close up give me the shivers  
Oh baby you wanna dance 'til the sunlight cracks  
And when they say the party's over then  
We'll bring it right back and we'll say  
Ooh I love it when you do it like that  
And when you're close up give me the shivers  
Oh baby you wanna dance 'til the sunlight cracks  
And when they say the party's over  
then we'll bring it right back hey
